

# **Students Migration Policy**

*MINAMS November 2023*

**Policy statement:**

Students once enrolled in a certain institution, may require to shift to another for varying reasons. The instant policy provides broad guidelines under which, a student may avail such intra institutional transfers.

**Overarching principles of policy:**

1. Migration or transfer of students from Mardan institute of nursing and allied Medical Sciences to another institution in a degree program may be allowed after clearance of all dues of the remaining semesters/years from all related offices of the Institute.
2. Transfer shall not be considered in the following cases:
  - a. The student is under disciplinary or academic punishment
  - b. Dues are outstanding against the student
  - c. During the semester
